Sind Govt. Falsifies Congress Report

Karachi, D c. 9—The officials estimate of the loss of life along the Karachi essential area due to the tidal wave on Nov. 28.—was gtven by the Chief Secretary to the Sind Govt. today. He said, that accordi g to their prelimina y calculation 200 persons lost their lives, but quite a number of persons lost their homes.

Commenting on the congressmen's estimates of the losses of 4000 lives the Chief S cretary remarks that they were heavily exaggerated. The coastl ne is sparesely populated. The S.D O's. have asked for only small grants for relief indicating the damage caused is not as heavy as reported.

The Govt. is awaiting full report from the District Magistrate who is new touring the area.—A.P.I.
