AMERICAN POLICY IN CHINA

MAJON-GENERAL Patrick Hurley's resignation of the post of Ambas-ador to China has focused attertion on two different issues. The first relates to the rightness or stherwise of the steps taken by first relates to the rightness or stherwise of the steps taken by the state of the steps taken by the state of the steps taken by the state of the part of the state o

armed, forces.

General Hurley's policy of assistance to Chiang became more pronounced after the end of the war. Controversy was raging between the Catter of the question of the process of the controversy was reging between the Catter of the question of the process of the controversy was reging between the Catter of the great of the fest of

Major-Goneral Hurley makes a seathful attack on American policy which he says supports "Committed and Colonial tonger all and a seathful attack on American policy which he says supports "Committed and Colonial tonger all all and a policy and the same and the same and a supporting "democracy and free enterprise." We fall to see much difference between the two) for after all American and the same and the same and a supporting "democracy and free enterprise." We for a supporting "democracy and free enterprise which are to the same and the policy and the same and the same and committed as conference for satisfy the same and comment that general flur same and the same and contains and contains the same and institute a conference for satisfy the same and contains the same and contains and contains the same and institute a conference for satisfy the same and contains and contains the same and institute a conference for satisfy the same and contains and contains the same and institute a conference for satisfy the future security of the Far East. We are sorting that the same and institute a conference for satisfy the future security of the Far East. We are sorting that the same and institute a conference for satisfy the future security of the Far East. We are sorting that the same and institute a conference for satisfy the future security of the Far East. We are sorting that the same and institute a conference for satisfy the future security of the Far East. We are sorting that the same and institute and colonial imperialism? For the same and institute and colonial imperialism? For the same and institute a conference of "Community and Colonial imperialism and the same and institute and colonial imperialism and the same and institute and colonial imperialism.
