

# 45 Dead: 35 Injured

## TIDAL WAVE MAKES PASNI FLAT

QUETTA, Dec. 1.—According to latest official reports received this evening regarding the damage caused by the earthquake in Pasni, a port on the Makran coast, and Barkhan Tehsil of District Loralai 45 dead bodies have been recovered at Pasni. Thirtyfive persons are seriously injured.

The whole place appears flat. Ormara, another port on the same coast, is believed to be in the same condition. The navy are taking out blankets, fuel, food etc., some are supplied by Sindhi merchants.

The situation in Barkhan Tehsil is much more serious than at first believed and reported. Eight persons are reported to have been killed in Barkhan itself. More details are expected by Monday.—A.P.I.
